

Australian Fantasy Tour

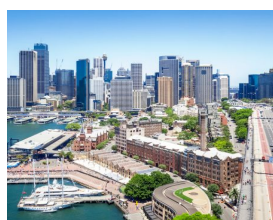

Itinerary

Day 1: Arrive At The Beautiful Brisbane

- Step into the land of Australia with your flight landing at the beautiful Brisbane or the Gold Coast Domestic Airport.
- Your transfer to the hotel is taken care of, and you will be put up at the luxurious and comfortable Gold Coast Hotel.
- If it is not a Tuesday, then you have the chance to witness the amazing Skypoint Observation Deck as well. The view from the same is quite an experience!

Day 2: A Fun Day At The Gold Coast

- Start your day with a delicious breakfast as we prepare for another day and go about witnessing the beautiful spots in Australia. We start with our journey to the Movie World Admission. Here, you will have the ultimate cinematic experience and learn how iconic movies are shot.
- You will return to the hotel, and an overnight stay will be arranged there.

Day 3:Dive into the Exotic Sea World

- An amazing breakfast awaits you as we start our day with the most promising spread. After that, we will travel to the beautiful Exotic SeaWorld and witness all the beautiful sea animals. If you have a kid with you or someone fascinated by the underwater world, then the Exotic Sea World is your perfect choice!
- After a fun-filled day at the Exotic Sea World and learning about sea animals, we returned to the hotel. An overnight stay has been arranged in the hotel itself.

Day 4:Travel to Melbourne

- Fuel yourself with a scrumptious breakfast as we travel from the Gold Coast to the beautiful Melbourne City.
- Arrive at the Melbourne Tullamarine Airport, the gateway to Melbourne. Next, you can join the 1 hour guided tour to the Melbourne Cricket Ground. This is quite an informative experience, and you will be able to have a one-of-a-kind experience!
- You can also alternate and choose the Melbourne Observation Deck.
- Once done with the visit, you will return to your hotel and retire for the night.

Day 5:Fun and Frolic Around Melbourne

- We start the day with a king-like breakfast and then go around Melbourne for fun. The first thing that we will do is go for a half-day Melbourne City tour.
- After a thorough sightseeing around Melbourne, we will finish the day at none other than Southbank. We do have some free time when you can choose to grab the perfect Australian lunch.
- Once you have refuelled, we will start our journey towards the Philip Islands Penguin and the Moonlit Sanctuary. The destinations are one of a kind, and don't forget to click some amazing photos as well.

Day 6:Travel to Sydney

- Wake up and enjoy some amazing breakfast as we are all set to travel to Sydney. Depart to the Melbourne Tullamarine Airport and leave for the exotic Sydney.
- We will arrive in Sydney, where you will be escorted to your hotel rooms. Stay in Sydney as we prepare for a complete trip around Sydney the next day.

Day 7:Experience A Full Day Tour Of Sydney

- Welcome a new morning and start your day with a hearty breakfast as we prepare to start an amazing day. Today, you will be moving around Sydney and experiencing the iconic spots.
- Our day starts as you proceed to the nearest bus stop and hop on for the hop-on-on-off bus experience.
- Next, we will witness the ultimate iconic spot in Australia - the Opera House. You will get a complete understanding with the help of a 1 hour guided tour.
- Then you can choose to go for a visit to the Sea Life Aquarium at Darling Harbour. The experience is going to be one of a kind for sure.
- Next, you can choose Sydney Wildlife or Madam Tussauds, which are unique experiences. There is also an alternative to choose from, Sydney Tower Eye. This Tower will allow you to have the ultimate 4D experience. The 4D experience is one of a kind, and there are no doubts that you will have the ultimate time of the trip!

Day 8:Final Day

- This is your final day in Australia, and a special gala breakfast will be laid out just for you. You will be transferred to Sydney Airport, from where you will travel to your home.
- Board your flight and travel to your home with a bag of memories.
